Wood pigeon calling	
Cows mooing	
Cars on a road	
Rain drops on the trees	
A tractor	
Wind rustling the trees	
Geese calling on the lake	
Chopping/sawing of wood	
An aeroplane	
A farm vehicle	
Lorries	
A pheasant calling	
A woodpecker	
Sheep bleating	

### Any other sounds I heard

## Human Environment v Natural Environment

Our environment is affected by people - even in a place like Leighton Hall.

Make a list below of any places/things or environments that you can see in your field sketch that are made by people - and another list of things that are natural.

### Made by People

### Made by Nature
